# LA FOREST'CIME

With start and finish in Arbet (has one o'clock Lyon time and of Geneva), door of the Jura Natural Park, the FOREST'CIME owes its name to its unique through the mountains of Bugey and Jura route. It's an adventure in mountains over three days, with routes linking stopping villages and timed parts at passes.

With more than 450 km and 9000 meters altitude, participants will have the opportunity to discover remarkable sites and challenge the Alpine passes.

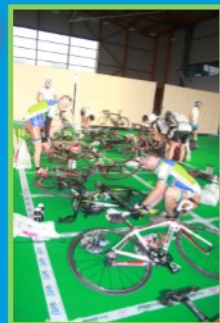

You'll see the most beautiful passes in the region with the Grand Colombier, Chaumont, Menthières, .

It's an adventure to discover in the spirit of love and togetherness.

The FOREST'CIME is a unique sporting challenge, open to cyclists of all nationalities, licensed or unlicensed, aged 18 and older. Participants can register individually. Timed parts will result in a ranking (challenge Performer) and connecting parts will award a diploma (challenge Finisher).

Many services are included in the registration:

- \* Cycling jersey short sleeves.
- \* Pack cans.
- \* Mechanical Support.
- \* Quality supplies.
- \* Bike parks at each arrival.
- \* Massage service / recovery on arrival.
- \* Transportation of personal luggage from start to finish.
- \* Accommodation with half board for two nights.
- \* Pasta Party held on Sunday evening.
